Enter your PAHO intranet password and press **"Sign in"**.

In your mobile device, approve your sign in request (we recommend using the Microsoft Authenticator mobile app - other options are SMS or phone call).

If you need help with the PAHO login options, contact IT support in your PAHO office.

You are now logged in to the VCPH.

Remember:

- Use your PAHO e-mail and intranet password to log in.

- PAHO passwords cannot be changed through the VCPH.

- PAHO IT systems require that you change your intranet password every 3 months.

You can now access the Virtual Classroom, the "My account" / "User Panel" options, the form or link, according to the instructions that you received.
